

FREELY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., TUESDAY, NOVEMBER 2, 1909.

ONE COPY—ONE CENT.

To the Voters of the City of Maysville:

Do you want NATURAL GAS at THIRTY CENTS a thousand, or do you prefer to pay one dollar and fifty cents?
Do you want the city government run in the interest of the people or in the interest of a few individuals?
Do you want a safe, sane and economical administration of the city's affairs?
Look at the records of the City Council and see how my opponent voted on these issues and how I voted.
A vote for me means Progress, Improvement and Natural Gas.

J. WESLEY LEE
FOR MAYOR.

*The melancholy days are come, the saddest of the year,
Of waiting winds, and naked woods, and meadows brown
and dead;
Heap'd in the hollows of the grove the withered leaves
lie dead;
They rustle to the eddying gust and to the rabbit's tread.*

Say, Hunters, can't you just fairly FEEL that wind and see the rabbit scurrying over the fields? It's a little too early yet, but now's a good time to get your

Gun and Shells, Hunting Coats and Leggings.

We have a swell and nobby line this year, complete in every detail, and can fit you out. Come and see.

Mr. Farmer, now's the time to think about the winter's wants. What about a

FELL TO HIS DEATH

P. M. McCarthy Meets With a Fatal Accident—Precipitated From the Roof of the Christian Church

For the past week Mr. P. M. McCarthy and his helpers have been engaged in painting the stone cornice and turret work on the Christian Church in East Third street.

The task is a difficult and dangerous one even for those young in years and supple in limb, and the friends of Mr. McCarthy marveled at his undertaking a job so fraught with peril, and were apprehensive for his safety, owing to his advanced years.

All went well and the hazardous work was about completed. Yesterday afternoon, however, about 4:30 o'clock, while he and Mr. Thomas Yarnall were engaged at work on the steep roof, the ladder on which Mr. McCarthy was working became loosened from the valley to which it was fastened and shot down over the steep incline roof like a cannon ball, carrying the unfortunate man to his death. Mr. Yarnall saved himself by catching hold of another part of a ladder that remained firm.

Mr. McCarthy fell from midway the roof, and the entire distance was at least 35 feet. In the descent his body is supposed to have struck a fence and bounced to the ground.

\$100 Reward, \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The election today in Louisville and Lexington borders on the serious and maybe the tragic. At Louisville, the Republicans, led by Mayor Grinstead, seem to have the best of the Democrats as steered by Mayorality Candidate Head. The corruption on both sides has resolved itself into a contest of wirepulling, money and whisky and illegal votes. At Lexington, the Democratic gang of Courtboone and City Hall grafters, led by Billy Klair, is simply playing the limit of blackjack politics, with every city official, including the police and firemen, as his willing tools.

Surprising Conditions.—A City Where Gray-Haired People Ridicule the Osler Theory

We learn that a carload of the Q-Ban Hair Restorer and Tonic was bought by one firm of retail druggists in Omaha City. Evidently the gray heads and those people possessing this straggly hair living in Omaha City are commencing to realize that the advantage of preserving a youthful appearance is not to be lightly disregarded. Dr. Osler's theory may be wrong, but nevertheless, many men have failed to secure positions that otherwise they might have secured but for the gray hairs that announced the approach of loss of energy and youth. Who makes the best impression on the employer seeking help—the man with gray hair, or the man with a youthful head of hair? The use of Q-Ban Hair Restorer can make some people look as if twenty years had been rolled back for them.

We publish below a testimonial, that came unsolicited; the writer testifies to the fact that a two-weeks' course restored the few gray hairs he had to the original color. If Q-Ban Hair Restorer does not do the same for you after using six bottles, your money will be refunded by the druggist of whom you buy the preparation. We claim for the Hair Tonic that it will keep your scalp in a healthy condition and will increase the length of the hair at least three inches per year until the limit of growth has been reached.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hensig-Elis Drug Co., Memphis, Tennessee."

Free Sample For Baby's Ills

Something can and must be done for the puny, crying baby, for the child that refuses to eat and is restless in its sleep. And since the basis of all health is the proper working of the digestive organs, look first to the condition of the stomach and bowels.

A child should have two full and free movements of the bowels a day. This emptying of the bowels is very important, as with it comes a clear head, a lightness of step, good appetite and sound sleep. But it is equally important to know what to give the child in the emergency of constipation and indigestion. Cathartics are too strong and salts and other purgatives are not only too strong, but the child refuses them because of their bad taste. Have you ever tried Dr. Caldwell's Syrup Pepsin? It is a liquid tonic that families have been using for a quarter of a century. It is mild, pleasant-tasting and promptly effective. It is good for you as well as the child, but there is nothing better to be found for children. They like its taste—you will not have to force them to take it.

First of all, if you have not yet used it, Dr. Caldwell would like to send you a sample bottle free of charge. In this way you can try it before buying. Later, when convinced of its merits, you can get it of your druggist at fifty cents a bottle, or a dollar a bottle, just as thousands of other families are doing. The family of Mr. D. W. Spangler of Strattonville, Pa., as well as that of Mr. A. F. Johnson of Walnut Grove, Tenn., started with it in that way and now write that it is their one family necessity next to food itself. If you are unfortunate enough to have a sickly child, one given to constipation and indigestion, you should send for a free sample of this remedy.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

JACKSON, MISS., November 1st—President Taft, three-ring circus, gala day at the State Fair, balloon ascension and thrilling parachute leap, gave Jackson today a share of honor and a unique and unparalleled in the history of the old city.

The contest today in the city of Maysville centers around the three-cornered fight for Mayor between J. Wesley Lee, Thomas M. Russell and George W. Crowell. Each declares he is going to win, and there you are. THE PUBLIC LEDGER says, "Sick 'em, Tiger!" and Wednesday it will tell you all about it.

Sunday was probably the greatest business day the C. and O. ever had. The freight traffic was simply enormous and almost swamped the trainmen. There were eight sections of freight, 71 Sunday night. All the telegraph offices have full tricks except Springdale and Quincy. It is said that the C. and O. is to be double tracked "at once" between Ashland and Cincinnati.

Last night the rain spoiled what would have been a lively scene in the local political mix-up. The day was cheerful, but windy, and the rain put a damper on the out-door features of the round-up of a very notable campaign.

The contest for Mayor between Lee and Russell was getting too hot to keep, and it's a good thing for somebody that today will end the controversy.

Mr. William Threlkeld, aged 57 years, the well-known Democratic politician, died suddenly Sunday morning at his home in Covington. He leaves a widow and four children, and his remains will be interred at Fairmount this morning. Deceased was a brother of Mr. James E. Threlkeld of this city.

Dr. Lewis F. Preston of Hamilton, Ohio, who was born near Levan, Ohio, and was a son of the late Captain Peter Preston, the noted flatboatman of early days, and who made twenty trips from Cincinnati to New Orleans, in charge of flatboats, was in Maysville yesterday, having a fancy horse to dispose of.

A hold-up and robbery is said to have occurred last night in West Second street, opposite Rev. Chatham's residence, who, it is said, witnessed the highwayman act from his window. The victim was in a buggy and was stopped by the footpad, who, after beating him, made him hand over his money before permitting him to pass on. The matter will receive attention today.

Governor Willson returned from New Orleans to Frankfort Monday and Acting Governor Cox came home to Maysville. Mr. Cox declares there is a chaotic condition of political affairs among the Breathitt county feudists and the sending of the State Guard there was imperative. Judge D. R. Redwine, the notorious Goebel benchman of Music Hall fame, is at the head of the Democratic gang in Breathitt and all know that what Redwine would not attempt to do isn't worth noting.

HIGH SCHOOL GIRLS' BASKET BALL.

Saturday afternoon the young ladies of the High School played their opening game of basket ball. The game was marked by the quick passes and good team work of the girls. Because of the splendid guarding of Miss Nathalie Wood the Whites were able to score only once during the first half, while Miss Zweigart's goal throwing was a conspicuous feature of the game. Miss Zweigart threw nine field goals for the Blues during the first half, Miss Collins scored one field throw for the Whites, making the score 18 to 2 at the end of the first half.

After a rest of ten minutes the young ladies were again on the floor. The Blues substituted Miss Frances Hedges as forward in place of Miss Anna May Campbell.

From the first the last half was exciting. Miss Owens scored the first goal for the Whites. The fine team work of Miss Owens and Miss Parker won the last half for the Whites. If it had not been for the interference of Miss Crowell they would probably have made even a better score. The game ended with a score of 28 to 15 in favor of the Blues.

Blues: Goals, Miss Hedges 1, Miss Zweigart 13; Fouls, Miss Wood 4, Miss Key 2, Miss Crowell 1.

Whites: Goals, Miss Collins 2 and 1 free goal, Miss Dickson 1, Miss Owens 4; Fouls, Miss Parker 1, Miss Smith 1, Miss Owens 2.

THE REAL TEST

Of Herpicide is in Giving it a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate dandruff and stop falling hair? No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use." It is a delightful dressing, clear, pure and free from oil or grease. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

ROYAL BLUE

For Laundry Use.

Is a very high grade of filling and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful luster. It does in no way streak the clothes, as these cheap inferior grades do. Many of the finest laundries throughout the country use this filling daily with perfect satisfaction. You will like it. One ten cent powder, put into a quart of clear fresh water, will make you as much excellent filling, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
